**SEE PAGE 7 & 10 FOR NEW SERVICES OFFERED  
MOBILE PAPER SHREDDER & WOOD CHIPS**

Household garbage and trash placed curbside for pickup containing recyclables will not be taken. Please follow the recycling information inside this brochure.

Dear Peekskill Resident,

The Department of City Services has continued to respond to the requests of our residents by improving the way in which our trash collection, street cleaning and snow removal services are delivered. This brochure contains alternate side of the street parking rules to allow for more effective cleaning of the streets in our neighborhoods, certain streets will have alternate side of the street parking rules in effect on selected days. Please see the map on page 13 for your designated street sweeping day and look at the signs on your street for directions. If there are no "Alternate Side of the Street Parking" signs posted on your block, then your block is not subject to the alternate side rules.

Also remember that the **Winter parking rules** are in effect from **December 1 thru April 15** See page 4 & 14 for more information.

The practice of having Saturday morning hours at the D.P.W. garage for residents to drop off bulk trash, household trash and recyclables has resulted in more efficient bulk trash pickups during the year. Therefore we are continuing this practice and thank all the residents who use the Saturday morning drop off. Saturday morning drop off has been returned to every Saturday, please see page 8 for more details.

Your input and ideas are always welcome. So feel free to contact the City Manager, or the Mayor's office to offer suggestions as to how we can continue to improve the services of our D.P.W. department.

Sincerely,

FRANK A. CATALINA

# COMPOSTING

## The ABCs of **A**mazing **B**ackyard **C**omposting!

Did you know that you can convert worthless food waste into dark, rich, fertile topsoil right in your backyard? And that it costs nothing and is pretty much effortless? All organic matter eventually decomposes. Composting speeds the process by providing an ideal environment for bacteria and other decomposing microorganisms. The final product, humus or compost, looks and feels like fertile garden soil. This dark, crumbly, earthy-smelling stuff works wonders on all kinds of soil and provides vital nutrients to help plants grow and look better.

Many materials can be added to a compost pile, including leaves, grass clippings, straw, woody brush, vegetable and fruit scraps, coffee grounds, livestock manure, sawdust, and shredded paper. Do not use diseased plants, meat scraps that may attract animals, and dog or cat manure which can carry disease. Composting can be as simple or as involved as you would like, and depends on how much yard waste you have, how fast you want results, and the effort you are willing to invest.

There are numerous composting methods: hot-composting, cold-composting and composting with worms (vermi-composting). There are even special appliances that allow one to compost indoors! In order to determine the best composting method, please refer to the following Internet resources:

How to Compost: <http://www.howtocompost.org/>

City Composting and Urban Agriculture Tips: <http://www.cityfarmer.info/>

Home Composting Fact Sheet from Cornell University: <http://cwmi.css.cornell.edu/compostbrochure.pdf>

Numerous Composting Resources: <http://vegweb.com/composting/resources.shtml>

Portions of this information sheet were derived from the following website: Backyard Composting Information from the USDA: <http://www.nrcs.usda.gov/FEATURE/backyard/compost.html>

Composting helps the City of Peekskill in a number of ways. It improves air quality by reducing the number of garbage truck trips and the amount of waste burned at the incinerator plant. It improves soil fertility which helps the health of plants and the people that depend on them. Finally, it can help your bottom line by reducing the amount of topsoil and fertilizer you need to buy to help your garden. In short, by planning your compost pile now you can be helping both the environment and your wallet next spring!

# SNOW REMOVAL

As property owners, you are responsible for the removal of snow and ice from sidewalks fronting your property. The following are important excerpts of the City of Peekskill, Chapter 474, "Snow and Ice Removal".

\*474-3 Placement in streets

It shall be unlawful for any person to throw or put, or cause to be thrown or put, any snow or ice into any street, avenue, sidewalk, park or other public place in the city.

\*474-5 Enforcement

It shall be the duty of the Police Department and the several members thereof and the Director of City Services or his authorized designee(s) to enforce this chapter

\*474-6 Penalties for offenses

Any person violating this chapter shall be deemed to be guilty of disorderly conduct and, upon conviction thereof, shall be fined as follows, all occurring in a calendar year:

- Seventy five dollars ( \$75 ) for a first offense
- One Hundred fifty dollars ( \$150 ) for a second offense
- Three Hundred dollars ( \$300 ) for a third offense

**\* ALTERNATE SIDE OF THE STREET PARKING\***

\*Section 290-35 of the Code of the City of Peekskill, "Winter time Alternate Side of the Street Parking"

Alternate-side of the Street Parking - the permissible parking of motor vehicles in designated areas from 8 pm Tuesday to 8 am Wednesday, 8 pm Thursday to 8 am Friday, from 8 pm Saturday to 8 am Sunday, and from 8 pm Sunday to 8 am Monday on the EVEN NUMBER side of the streets. From 8 pm Monday to 8 am Tuesday, 8 pm Wednesday to 8 am Thursday and from 8 pm Friday to 8 am Saturday on the ODD NUMBER side of the streets."

During wintertime alternate-side-of-the-street– parking regulations are in effect, no person shall park a motor vehicle on any street or highway within the City between the hours of 8 p.m. and 8 a.m. on the next day except those areas designated as alternate side of the street parking.

# COLLECTION REGULATIONS

## SANITATION CODE 485. GARBAGE, RUBBISH AND REFUSE

Garbage containers cannot exceed thirty-two ( 32 ) GALLONS IN SIZE OR EXCEED SEVENTY ( 70 ) POUNDS IN WEIGHT.

Containers must be watertight and equipped with a tight fitting lid. This is a standard size garbage container, readily available locally and in larger department stores at a nominal cost. A thirty-two ( 32 ) gallon garbage bag of sufficient strength may also be used as an alternative, but as a word of caution, the City of Peekskill will not be responsible for breakage of waste containers or bags.

No more than four ( 4 ) thirty-two ( 32 ) gallon waste containers of garbage shall be picked up from any residence or business per week except as follows:

An overflow program has been instituted for residences and businesses that exceed the four ( 4 ) thirty-two ( 32 ) gallon containers. Official City of Peekskill garbage bags can be purchased at City Hall in the City Clerks Office for a cost of \$3.00 each.

## IMPORTANT NOTICE

### WESTCHESTER COUNTY HEALTH DEPARTMENT

#### **RADIOLOGICAL MEDICATION RESIDUALS CANNOT BE DISPOSED OF IN THE GARBAGE**

**If you or your pets are receiving medical treatment involving radioactive materials, all residuals or personal items that could collect body fluids should be returned to the hospital or health care facility where you or your pet received treatment, for proper disposal. Your doctor will advise you how long after treatment you will need to continue taking these precautions. These items include: Diapers, excreta, kitty litter, sanitary napkins, tampons, tissues or any other product that would be used to absorb bodily fluids.**

#### **SHARPS DISPOSAL**

**Proper disposal of sharps is important to the safety of the sharps user and to the workers who handle trash. Follow these guidelines to keep yourself and others safe. Use a leak proof, shatterproof and puncture proof container with a screw top such as a plastic laundry soap container labeled **SHARPS**. Place the lancet or needle and syringe in the container immediately and secure the screw top on the container. When the container is full apply tape around the neck and top of the container. The preferred method of disposal is to take the full container to Sharps disposal site listed in the Westchester County brochure. Local sites listed are Westledge Nursing Home 2000 Main St. or NewYork-Presbyterian/Hudson Valley Hospital 1980 Crompound Rd.. The alternate method is to place the container in with the household trash. **Never place SHARPS in with the recycling.****
