Operations

The Peekskill Facilities Development Corporation is governed by a seven member board of residents of the City of Peekskill. The membership consists of only the City of Peekskill Industrial Development Agency. Appointments to the City of Peekskill Industrial Development Agency are made by the Mayor and Common Council of the City of Peekskill.

The Peekskill Facilities Development Corporation works closely with the City of Peekskill and the City of Peekskill Industrial Development Agency to provide greater transactional flexibility for undertaking economic development projects. In addition to providing greater transactional protection to a project, the Peekskill Facilities Development Corporation adds liability protection because the Corporation is a bankruptcy remote entity.

The purpose for which the Peekskill Facilities Development Corporation is operated is exclusively for charitable purposes within the meaning of Section 501(c)(3) of the Internal Revenue Code of 1986, as amended, to relieve and reduce unemployment, promote and provide for additional and maximum employment, better and maintain job opportunities, and lessen the burden of government and act in the public interest.

The management and staff of the Peekskill Facilities Development Corporation consist of the City of Peekskill Industrial Development Agency staff. The members, management and staff do not receive any compensation by the Corporation for their services.
