Additional Newspaper/Cardboard Pickups have been added to this years calendar

Additional Bulk Trash Pickups have been added to this years calendar

Household garbage and trash placed curbside for pickup containing recyclables will not be taken. Please follow the recycling information inside this brochure.

Dear Peekskill Resident,

The Department of City Services has continued to respond to the requests of our residents by improving the way in which our trash collection, street cleaning and snow removal services are delivered. This brochure contains alternate side of the street parking rules to allow for more effective cleaning of the streets in our neighborhoods, certain streets will have alternate side of the street parking rules in effect on selected days. Please see the map on page 13 for your designated street sweeping day and look at the signs on your street for directions. If there are no "Alternate Side of the Street Parking" signs posted on your block, then your block is not subject to the alternate side rules.

Also remember that the **Winter parking rules** are in effect from **December 1 thru April 15** See page 4 for more information.

The practice of having Saturday morning hours at the D.P.W. garage for residents to drop off bulk trash, household trash and recyclables has resulted in more efficient bulk trash pickups during the year. Therefore we are continuing this practice and thank all the residents who use the Saturday morning drop off. Saturday morning drop off has been returned to every Saturday, please see page 8 for more details.

Your input and ideas are always welcome. Feel free to contact the City Manager, or the Mayor's office to offer suggestions as to how we can continue to improve the services of our D.P.W. department.

Sincerely,

ANDRE K RAINEY

IMPORTANT NOTICE

WESTCHESTER COUNTY HEALTH DEPARTMENT

RADIOLOGICAL MEDICATION RESIDUALS CANNOT BE DISPOSED OF IN THE GARBAGE

If you or your pets are receiving medical treatment involving radioactive materials, all residuals or personal items that could collect body fluids should be returned to the hospital or health care facility where you or your pet received treatment, for proper disposal. Your doctor will advise you how long after treatment you will need to continue taking these precautions. These items include: Diapers, excreta, kitty litter, sanitary napkins, tampons, tissues or any other product that would be used to absorb bodily fluids.

SHARPS DISPOSAL

Proper disposal of sharps is important to the safety of the sharps user and to the workers who handle trash. Follow these guidelines to keep yourself and others safe. Use a leak proof, shatterproof and puncture proof container with a screw top such as a plastic laundry soap container labeled **SHARPS**. Place the lancet or needle and syringe in the container immediately and secure the screw top on the container. When the container is full apply tape around the neck and top of the container. The preferred method of disposal is to take the full container to Sharps disposal site listed in the Westchester County brochure. Local sites listed are New York Presbyterian / Hudson Valley Hospital 1980 Crompond Rd.. The alternate method is to place the container in with the household trash. **Never place SHARPS in with the recycling.**
