Our mission is to identify and prioritize the needs of the elderly in Westchester, to create comprehensive and coordinated plans for meeting those needs; and to advocate for responsive policies, programs, actions, legislation and resources on behalf of the elderly.

SENIOR NUTRITION PROGRAM

The City of Peekskill Senior Nutrition Program is composed of two segments; meals served at congregate sites throughout the County and the home delivered meals program. Each meal provides at least 1/3 of the recommended dietary allowance (RDA) for an individual. Both programs are monitored by the Food and Nutrition Services Division, which plans the meals according to standards set by federal and state regulations and monitors the entire program to ensure compliance with federal, state and county regulations.

The NYS Wellness in Nutrition Program (SNAP) aims to improve the well-being of those elderly who are at high nutritional risk, with particular emphasis on provision of services to the low income, minority, frail and isolated elderly.

Nutrition education and counseling are provided to seniors participating in either the congregate or home delivered meal programs. Materials and informational programs are provided on a regularly scheduled basis and designed to assist older persons in making proper choices of food in order to maintain good health through improved nutritional status.

CONGREGATE PROGRAM

Hot delicious lunches prepared on site Monday through Friday. The suggested contribution for seniors who attend the Nutrition Program is $3.00 for hot lunch and $2.00 for cold supper.

Transportation is provided to and from program daily. Call one day prior to coming to arrange for pick-up. Transportation to and from the program is suggested at $1.00 per ride.

GIRL SCOUTS HEART OF THE HUDSON
Peekskill Girl Scout Community – Come join us!

Girl Scouting is for girls in Kindergarten through 12th grade. Girl Scouting is based on three Keys to Leadership: Discover, Connect and Take Action. The girls take the lead on making decisions, discovering themselves and the world around them, learning by doing and encouraging cooperative learning. Girls gain specific knowledge, skills, attitudes, behaviors, and values as they participate in age appropriate interesting activities, take trips, play games and so much more. The long-term outcome is that girls lead with courage, confidence, and character, to make the world a better place. The troop pathway, series pathway, event pathway & camp pathway are different ways that girls can join Girl Scouting in Peekskill. They can participate in one, two, three or all of these pathways!

If your daughter is interested in joining, if you are interested in volunteering, please contact Girl Scouts Heart of the Hudson www.girlscoutshh.org at 914 747-3080 x725.
